Proceedings of the Madras Government, Revenue Department,
10th June 1868.

No. 255. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 1st June 1868, No. 751 :—

With reference to the Government Order, No. 1,391, of the 18th of May last, I have the honor to inform you that there is no sum available from the Forest Budget of this year for the road from Kolungode to the Coimbatore frontier. If the road alluded to is (as I expect) the one from Kolungode to Polachy through Marchenai-kanpoorum, it is of no use whatever to our department; but if it is the road leading past the timber slip to Anamallay, 900 Rupees were expended in repairing it from the Forest Budget during the year just closed, and it is now in a sufficient state of repair for our forest operations.

No. 256. ORDER THEREON, 10th June 1868, No. 1,629.

Forests, No. 3.

1. Communicated to the Collector of Malabar.

2. The Government understand that the road in question is that referred to in the letter from the Conservator of Forests, dated 18th July 1867, No. 114, which was described as having "always been considered a forest road."
