THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

Miscellaneous.

1. In paragraph 1 of their Proceedings in the Financial Department, dated 29th April 1868, No. 2,398, the Government of India, referring to item 1 in the Revenue Statement of charges for September 1867, which relates to the sanction granted by this Government in G. O., 14th September 1867, No. 2,169, for the disbursement, as a Government charge, of the allowance of the Apothecary in charge of the Purla Kimedy Dispensary (Ganjam District), which formerly was paid by that Estate, remark that no sufficient reason has been assigned for relieving the Estate of the charge, and wish the matter to be separately referred to the Home Department.

2. I am accordingly directed to explain that the Purla Kimedy Estate provides the Dispensary buildings, bears all the expenses connected with the dieting, clothing, &c., of private patients, and has for a long time paid the Apothecary's allowance. This Apothecary, however, has the medical charge of some 300 Government Police and of the Sub-Magistrate's Establishment, and the Government do not deem it proper that the charge for medical aid to their servants, which elsewhere devolves on the State, should be defrayed by this private Estate, simply because it is under the Court of Wards. Were this not the case, the charge could not be imposed on the Zemindar; and in sanctioning the disbursement of the Apothecary's allowance* as a Government charge, the Government have only undertaken to do in respect to the Purla Kimedy Dispensary, what they do in regard to every other Dispensary in the country, and did in the case of the Dispensary recently established in the Ramnad Zemindary.

3. Under this explanation, the Government trust that their proceeding in question will receive the confirmation of the Government of India.

4. Copy of the Order of 14th September 1867, No. 2,169, above quoted, is herewith enclosed.

I have the honor to be,
Sir,
Your most obedient servant,
