Proceedings of the Madras Government, Revenue Department,
12th June 1868.

No. 308. Read the following Proceedings of the Board of Revenue, dated 4th June 1868, No. 4,118 :—

Read the following letter from the Acting Sub-Collector in charge of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 30th April 1868, No. 102.

The Board have, in their Proceedings of the 17th instant, No. 2,839, observed, with reference to the Statement of the cultivation of Carolina Paddy in the Godavery District, that the particulars given in the Remark column show that the experiment has not been properly tried, and that in one case seed was left two months in a seed-bed. I beg to point out, however, that this is an error, the seed in question not having been sown in a seed-bed at all, but sown broadcast, as will clearly appear from a reference to column 5 of the Statement headed, "Whether transplanted or sown broadcast."

Submitted for the information of Government, with reference to Government Order, dated 4th May 1868, No. 1,215.

No. 309. ORDER THEREON, 12th June 1868, No. 1,655.

Miscellaneous.

Ordered to be recorded.
