Proceedings of the Madras Government, Revenue Department, 13th June 1868.

No. 331. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 4th June 1868, No. 831-29 :—

1. The plan of making part of Ameens' pay dependent on the work turned out, has been found to answer well in the Survey Department, and is likely to be equally efficacious in obtaining a fair out-turn of good work in the Demarcation Department.

2. I propose, therefore, to reduce the pay of most of the Goomastahs, from Rupees 12 to Rupees 10, and from Rupees 15 to Rupees 12, and with this saving I would pay each Goomastah an allowance of 8 Annas for every hundred stones placed, and 8 Annas for every hundred acres demarcated in fields. The gain to Government in increased out-turn will, I expect, be great.

3. I should not have troubled Government with this trifling change, and would have made the arrangement departmentally, as I had formerly done in the Survey, but that I feared the Audit Office might object to pass the bills without the express sanction of Government, which I have the honor now to solicit.

No. 332. ORDER THEREON, 13th June 1868, No. 1,665.

Miscellaneous.

The Government sanction the proposed change of system and rates of pay.
