No. 336. Read the following Proceedings of the Board of Revenue, dated 29th May 1868, No. 3,982 :—

Read the following letter from the Collector of Tinnevely, to the Secretary to the Board of Revenue, dated 7th April 1868, No. 149.

1. As required in paragraph 7 of Government Proceedings, No. 395, dated 12th February 1868, I have the honor to submit a revised list of allotments for roads to be constructed this year from Local Funds.

2. I have gone over the Budget carefully with the Superintending Engineer, who agrees [to my proposal to set aside altogether this year Nos. 165, 166, and 167 in the first range ; Nos. 169 and 170 in the second range ; Nos. 171, 198, and 200 in the third range ; and No. 175 in the fourth range, and to devote the 16,000 Rupees thus saved to increasing the allotments for No. 163, (part of the system of communication between Palamcottah and the coast,) by 10,000 Rupees ; for No. 174 (an important line through two Zemindaries) by Rupees 4,000 ; and for No. 181 (in a part of the country that has suffered from drought this year) by Rupees 2,000 ; total Rupees 16,000.

3. The Budget does not exceed the year's income ; we have 60,000 Rupees in hand ; the eighteen months' arrears, due by the Zemindars and Inamdar amount to 50,000 Rupees, and this sum will be collected as soon as I receive sanction for a detailed scheme of assessment which will be submitted in a few days more ; and the Road Cess on Ayen lands for 1868-69 will amount to 70,000 Rupees ; total 1,80,000 Rupees to be still further augmented from other Local Funds.

4. The Superintending Engineer agrees with me that the execution of Nos. 163 and 199 might be entrusted to the Revenue Department, as there are many irrigation works along both lines of road, which will be restored free of charge by the villagers if the lines are carried along the tank and channel banks, as the villagers pray they may be. I have, therefore, the honor to request sanction for Nos. 163 and 199 to be executed by the Revenue Department, instead of by the Department of Public Works.
