Proceedings of the Madras Government, Revenue Department, 22nd January 1868.

No. 331. Read the following Proceedings of the Board of Revenue, dated 10th January 1868, No. 161 :—

1. The instalments of the Land assessment in the Districts of North Arcot, South Arcot, Madras, and Nellore, fall due as noted in the margin, and any instalment of Land revenue left unpaid becomes an arrear of revenue, and is recoverable by summary process under Madras Act No. IV. of 1865. Consequently those of the ryots of the districts in question, whose dry crops may have perished from the failure of the season, or whose wet crops may not have come to maturity from the want of water in the tanks, are liable to be treated as revenue defaulters, unless they pay a demand which will doubtless be remitted when the Collectors make the annual settlement later in year.

Districts.	Oct.	Nov.	Dec.	Jan.	Feb.	March.	April.	May.	June.	Total.
North Arcot...	...	10	10	15	15	20	20	10	...	100

Nellore.	...	6¼	6¼	12½	12½	18¾	18¾	18¾	6¼	100

2. Under these circumstances, and in consideration of the peculiarly unfavorable nature of the season, the Board authorize the Collectors of these districts to suspend the collections at their discretion, wholly or partially, in any talook or villages in which they may deem this indulgence to be necessary.
