Read the following letter from the Acting Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated Nellore, 6th June 1868, No. 1,662 :—

1. I have the honor to report on the state of season in this district for the week ending 30th May.

2. *Rain.*—In some villages of Atmakur, Udayagiri, Ongole, and Kandukur talooks there was some rain. A few tanks in those talooks have received a partial supply of water, and the anxiety felt on account of the cattle in those localities and for water for drinking purposes is removed.

3. *State of crops.*—The harvest has been concluded. There is nothing calling for special notice under this head at this season of the year, as there are no crops on the ground.

4. *Prices.*—Have continued much the same as last week, with slight changes, as is shewn in the statement hereunder given.
