Proceedings of the Madras Government, Revenue Department,
16th June 1868.

No. 375. Read the following Proceedings of the Board of Revenue, dated 28th May 1868, No. 3,927.

Read the following letter from the Acting Sub-Collector in charge of the Madras District, to the Acting Secretary to the Board of Revenue, dated Sydapet, 23rd April 1868, No. 119:—

1. I have the honor to submit my report, promised in letter of the 10th January last, No. 6, on the death of the Yeomiahdar Amir Unissa. She belonged to the family of the Jaghirdar of Satambak and Pundi, but died on the 8th August 1866. She was in the receipt of an annual pension of 60 Rupees under Order of Government, dated 20th March 1821. This pension was to be continued for three lives, but at the expiration of each life, one-third was to lapse to Government.

2. Amir Unissa left two daughters, Modin Begum and Mahomedia Begum. The first lives at Hyderabad, and is believed to have a family, and the second lives at Madras, and has a daughter called Azim Unissa. Neither of the daughters of the deceased lay claim to the second life-pension, being in receipt of another and larger pension; but Azim Unissa claims as granddaughter of the deceased, and as one adopted and protected by her, and prays for the continuance of the second life-pension in her name.

3. I agree with the Deputy Collector of Madras in thinking that the fact of the daughters of the deceased not claiming the continuance of the second life-pension, cannot make the granddaughter the second life-holder. For the same reason, the granddaughter would not seem to have any good claim to be third life-pensioner, until the demise of those entitled to the second life-pension.

4. I enclose a statement A, for arrears of Rupees 1-4-8, due to the deceased from the date of the last payment, 31st July 1866, up to the date of her death.

ENCLOSURE No. 1.—Statement.

1. Submitted for the orders of Government.

2. The Board consider that, under the circumstances stated by Mr. Crole, the best way of giving effect to the intentions of Government, with regard to the late Jaghirdar's family, will be to register the pension in the name of Modin Begum, the elder daughter of the last incumbent, and to intimate to her, through the Resident at Hyderabad, that, should there be no objection on her part to the arrangement, the pension will be paid to her niece, Azim Unissa, at Madras.

3. If this arrangement be adopted, the aunt, who will then represent the second life under the terms of the grant, should be required to furnish the Collector with a half-yearly or yearly life certificate.

4. The arrears (Rupees 1-4-8) due to the deceased at the time of her death are sanctioned, and should be paid to the party who may eventually be authorized to draw the pension.

No. 376.

ORDER THEREON, 16th June 1868, No. 1,686.

Miscellaneous.

1. There is nothing to make it incumbent on Government to select the *eldest* daughter of the deceased as successor to the reduced pension, and as she makes no claim to it, the simpler plan

*Proceedings of the Madras Government, Revenue Department,

appears to be that the reduced pension be registered in the name of Mahomedia Begum, the *second* daughter, who is resident in Madras and is the mother of Azim-on-Nissa, who claims the allowance as having been adopted and protected by her deceased grandmother.

2. The Board will instruct the Collector accordingly.
