*Proceedings of the Madras Government, Revenue Department,
16th June 1868.*

No. 377. Read the following Proceedings of the Board of Revenue, dated 22nd May 1868, No. 3,785 :—

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 13th April 1868, No. 296.

1. In reply to the Board's Proceedings of 30th March ultimo, No. 2,323, I have the honor to state that "the practice prevailing in the Ganjam District, of selling Government salt for exportation to Bengal at the Bengal duty rate of Rupees (3-4-0) three and Annas four per Maund," was sanctioned by Government Order, Revenue Department, dated 16th July 1863, No. 1,307, communicated to the Collector by the Board on 22nd idem.

2. The cost of manufacture, which the Commissioner of Cuttack insists should, in fairness to Orissa salt sales, be charged to the exporting purchaser in addition to the above Rupees 3-4-0 per Maund, is something under two Annas the Maund.

3. I may mention that during the official year, which closed on 31st March ultimo, we remitted to the Cuttack Collector Rupees 754-11-0, being the amount of the Bengal differential duty of Rupees 1-9-0 per Maund; so that only 483 Maunds of Ganjam salt were during that period exported to that Presidency.

1. Submitted for the orders of Government.

2. The Board recommend that the Collector be instructed to charge an *extra* two Annas the Maund on salt purchased for export to Bengal.

No. 378.
