Proceedings of the Madras Government, Public Works Department
13th June 1868.

Read the following papers :—

No. 293. Proceedings of the Board of Revenue, dated 6th April 1868, No. 2,553.

Read again letter from the Acting Collector of Vizagapatam, dated 17th December 1867, recorded in the Board's Proceedings, dated 1st February 1868, No. 818.

Read also the following letter from the Acting Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated Camp at Mahadaviputti, of Jeypore, 24th January 1868, No. 66.

1. Referring to the Board's Proceedings, dated 10th instant, No. 170, I have the honor to report that of the sum of Rupees 6,927, due on account of the twelve roads therein referred to, Rupees 415 only are, as it appears to me, properly debitable to Local Funds, on account of the following roads :—

	RS.
1. Thallapallem to Nursipatam	250
2. Pedda Boddapilli to Revu Polavaram	120
3. Nursipatam to Chidigundla	6
4. Nursipatam to Kondasanta	39
	415

2. The other eight roads should, I think, be considered imperial, for which the difference (Rupees 6,512) has to be provided.

3. Full details of this compensation were given in the Statement which accompanied my letter, No. 1,026, of the 17th ultimo, in reference to which no orders have as yet reached me.

1. With the first letter above recorded, the Acting Collector submitted a detailed Statement of compensation due to certain Inamdars, aggregating Rupees 7,013-10-0, which includes the Rupees 6,927, referred to in paragraph 2 of Government Order, Revenue Department, dated 17th December 1867, No. 3,001. This Order was communicated to the Collector with the Board's Proceedings, dated 10th January 1868, No. 170, and he was requested to report whether the latter sum above referred to was debitable to Local Funds or not.

2. In the second letter, which is a reply to the above requisition, the Acting Collector reports that of the sum of Rupees 6,927, due on account of the lands

	RS.	taken for twelve roads enumerated in

3. The Board resolve accordingly to submit to Government the two letters noticed above, with a request that orders may be issued in the Public Works Department to place the sum of Rupees 6,512* at the disposal of the Collector, for the payment of the several amounts to the parties concerned.

4. As regards the sum of Rupees 415, the Acting Collector is requested to charge it to the cost of the roads in the proportions noted above.

5. Of the four roads enumerated above, only the first and last appear in the Repair list of the Budget of 1868-69. The other two are not shown in it. It is not known when these two roads were formed, nor at what cost and under what sanction, nor why no maintenance for them is provided. Information on this point should be submitted by the Collector.

Forwarded to the Superintending Engineer of the 1st Division, who is requested to report whether the eight roads referred to are, in his opinion, properly imperial lines, and if so, whether arrangements can be made for diverting funds to meet the amount of compensation shown to be payable to Inamdars on account of those roads.

No. 294. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Waltair, 28th May 1868, No. 29.

* Seen by me for the first time yesterday.
1. With reference to your Endorsement*, dated 21st ultimo, on Proceedings of the Board of Revenue, No. 2,553, herewith returned, I have the honor to report my opinion as follows:—

No. 1.	Road from Thallapallem to Nursipatam ...	Local.

" 3.	Do. from Nursipatam to Chidigundla ...	Do.

" 5.	Do. from Ankapilly to Tatiparti ...	Do.
" 6.	Do. from Paleonda to Parvatipoor ...	Imperial.
" 7.	Do. from Paleonda to Cheepurpilli ...	Local.
" 8.	Do. from Nursipatam to Kondasanta ...	Do.
" 9.	Do. from Ankapilly to Vizagapatam...	Imperial.
" 10.	Do. from Vizagapatam to Vemulavalsa ...	Do.

*Proceedings of the Madras Government, Public Works Department,
13th June 1868.*

The arrears (three years) of annual compensation, due for the land occupied by the four imperial roads, amount to Rupees 3,660, of this amount Rupees 1,470 are for a portion of the Northern Trunk Road; it is not properly a "New Work"

charge, yet funds to pay it may, I think, fairly be taken from the Grant No. 201* in the current year's Budget.

2. I am unable to suggest any arrangements for providing funds for the remaining Rupees 2,190, the imperial grants for roads other than the Northern Trunk Road are very small.

3. Annual payments for land occupied by imperial roads ought to be discontinued, the ground to be purchased or compensation made once for all in one payment.

1. In their Proceedings above recorded, the Board of Revenue request that a sum of Rupees 6,512 may be placed at the disposal of the Collector of Vizagapatam for disbursement to certain Inamdars as compensation for land taken up for the roads marginally noted. Assuming that Local Funds are debitable with the compensation due only on account of the four roads referred to in paragraph 2, the correct amount to be placed at the Collector's disposal is Rupees 5,682, and the Board's mistake would appear to have arisen from the inaccurate deduction made in paragraph 3 of Rupees 415, the estimated rent value of the land taken up for one year, instead of Rupees 1,245, the value for three years.

2. The Superintending Engineer considers that the first four of the eight roads abovementioned are properly imperial lines, and that the others are only local lines, and as such the amount payable on their account is chargeable to Local Funds.

3. In the absence of any explanations of the grounds upon which the Board and the Superintending Engineer have formed different opinions respecting roads Nos. 5 to 8, the Government consider that the source from which the maintenance allowance for the lines is provided, should now bear the charge for compensation. On this principle the road from Ankapilly to Tatiparti being maintained from Local Funds, the sum due on its account should be met from those funds. The road from Paleondah to Cheepurpilli forms part of the line from the former place to Vizianagaram for which a sum of Rupees 4,298 is entered in Part III. of the Budget for imperial works, and the compensation due on that line is therefore debitable to Imperial Funds. It is not clear from what source the maintenance of the two

remaining roads is provided. The Superintending Engineer will furnish information on this point, and refer specifically to the grants made for them in the Budget, imperial or local as the case may be.

4. Under these orders the amount payable from Imperial Funds for roads Nos. 1 to 4 and 6 is Rupees 4,404, which the Superintending Engineer will place at the Collector's disposal from his general funds, leaving the charge to be adjusted later in the year by transfers.
