Proceedings of the Madras Government, Revenue Department,
17th June 1868.

No. 415. Read the following Proceedings of the Board of Revenue, dated 8th June 1868.

Read the following letter from the Acting Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated on circuit at Madanapully, 6th June 1868, No. 103 :—

1. I have much pleasure in reporting, for the information of the Board, that there has been a heavy fall of rain in this district. It commenced to rain here on the afternoon of the 4th instant, and continued with slight intermissions till the evening of the 5th. I understand from Captain Begbie, Executive Engineer, who has just arrived from Kadiri, that there has been heavy rain in that talook, so much so that considerable damage has been done to the road between this place and Kadiri.

2. Though I have as yet received no reports from other parts of the district, except from Voilpaud, where the same rain fell, I feel certain that this rain has been general, and think that all causes for apprehension respecting the season are now at an end.

Submitted for the information of Government.

No. 416. ORDER THEREON, 17th June 1868, No. 1,705.

Miscellaneous.

As there appears to be no further cause for anxiety in the Cuddapah district or elsewhere, the Government have intimated to Mr. Clarke that he is at liberty to return to the Presidency.
