Proceedings of the Madras Government, Judicial Department,

11th June 1868.

No. 96. Read the following letter from the Assistant Secretary to the Government of India, Financial Department, to the Accountant General, Fort Saint George; dated Fort William, 26th May 1868, No. 2923.

Leave and Allowances.

I am directed to acknowledge the receipt of your letter, dated 11th March 1868, No. 6713, bringing to notice the case of Mr. Bird, who over-stayed his authorized leave to England, but has been exempted by the Government of Madras from the consequent penalty imposed by the Absentee Rules; and inquiring whether the Local Government might not, without reference to the Government of India, direct such exemptions in cases in which public officers may exceed their authorized leave from circumstances over which they could exercise no control.

2. It is observed that Mr. Bird having had leave to Europe on medical certificate up to 28th November 1867, left England on the 24th October 1867, with a view to return to his duty by the steamer advertised to leave Marseilles on the 28th idem. His departure from England was timed so as to admit of his reaching Madras, under ordinary circumstances, by the 25th November 1867, or within the period of his leave; but through the unexpected detention of the steamer he over-stayed his leave by one day. For that day the Government of Madras properly exempted Mr. Bird from any penalty for having exceeded his leave, and the Governor General in Council authorizes you to act on any similar order of the Local Government in a case of the same kind.

ORDERED, that a copy of the above letter be furnished for information to the several Secretariats, the several Local Governments, the Comptroller General of Accounts, the several Accountants General, and the Deputy Accountants General in independent charge.

No. 97.

ORDER THEREON, 11th June 1868, No. 946.
