Proceedings of the Madras Government, Revenue Department,
18th June 1868.

No. 447. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 9th June 1868, No. 767 :—

1. Of the 1,500 Rupees sanctioned demi-officially for the purchase of a tract of land near Walyar (at the extreme western limit of the Coimbatore District) for the formation of a Railway fuel reserve, the Collector has expended Rupees 1,280 in purchasing 246½ Acres of land (all more or less jungle), in addition to this he has handed over 742½ Acres of Government waste, so that we have a compact block of 988½ Acres. I have the honor to request the sanction of Government for the expenditure incurred, viz., 1,280 Rupees.

2. I have lately inspected this tract, and it will form a valuable fuel reserve; it is bounded on the north by a range of hills thickly clothed with jungle, and on the south by the line of Railway, so that it will only require to be fenced on the eastern and western sides.

No. 448. ORDER THEREON, 18th June 1868, No. 1,719.

Forests, No. 5.

The charge is sanctioned, Rs. 1,280.
