No. 451. Read the following Proceedings of the Board of Revenue, dated 5th June 1868, No. 4,146 :—

Read the following letter from the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 30th April 1868, No. 84.

1. I have the honor to solicit sanction to abandon the Travellers' bungalows at Tottiem, on the Salem road, and Manavassey and Pudupolliem, on the Caroor road; these two lines of communication being at present very little used since the opening of the Erode extension line.

2. In concurrence with the opinion expressed by the late Acting Collector, Mr. vansAgnew, I beg to propose that the abovementioned bungalows be retained for the use of the Collector, his Head Assistant, and their establishments, during their tours, which it is the avowed principle of the Board to encourage. I have dispensed with the services of the establishment entertained, as per margin, and entrusted the buildings to the care of the village officials.

3. The only bungalows I propose to maintain are—

The Cantonment bungalow at Trichinopoly.
The Covilpatti and Tuvarencurchi bungalows on the Madura road.
The Manapara and Kalpatti bungalows on the Dindigul road.

4. The Cantonment bungalow has a Maty and Sweeper. The Covilpatti and Tuvarencurchi bungalows have each a Sepoy and Sweeper. The Manapara and Kalpatti bungalows have no establishment whatever, and as the road on which they are situated has, since the opening of the Erode extension line, become an important means of communication, I request that a Sepoy and Sweeper may be entertained at Manapara, and a Sweeper only at Kalpatti, as specified in the accompanying Tabular Statement.

5. In their Proceedings, No. 175, dated 10th January 1866, the Board recommended to Government the transfer of certain bungalows to the Department of Public Works. The Order of Government thereon has not as yet reached this office. My predecessor called the attention of the Board on this subject in his letter, No. 120, dated 21st May 1867. The Kalpatti bungalow has been included amongst the buildings recommended to be transferred; but I would urge its retention as a Travellers' bungalow for the reason given in paragraph No. 4 of this letter.

Enclosure No 1.—Tabular Statement.

Proceedings of the Madras Government, Revenue Department, 18th June 1868.

1. Submitted for the orders of Government. The Board are of opinion that the Travellers' bungalows at Tottiem, Manavassey, and Pudupolliem may be abandoned, as they have been very little used by travellers since the opening of the Erode extension line. The Collector proposes to retain them for the use of himself and his Assistants during their tours; and if the buildings are not required for any public purpose, the Board would recommend this arrangement. The establishment now maintained in these bungalows will then be discontinued, and a saving of Rupees 17-1-6 effected, as shewn in the margin.

2. In paragraph 4, the Collector proposes to entertain the establishment, noted in the margin, at the Manapara and Kalpatti bungalows. The Board see no objection to this being sanctioned. In Board's Proceedings, dated 10th January 1866, No. 175, on which Government have not yet passed orders, the Board proposed to transfer the Kalpatti bungalow to the Public Works Department. The Collector, however, considers it necessary to retain this bungalow, as the road on which it is situated has become important since the opening of the new Railway.

3. The Board find that the Tabular Statement, which accompanies the Collector's letter, has not been correctly prepared. Among the details of the present establishment, the Sepoy employed at the Pudupolliem bungalow is not entered, and in the proposed scale a Sepoy at Rupees 2-12-9 is entered for Kalpatti, although the Collector states, in paragraph 4 of his letter, that a Sweeper only is required for that bungalow. Moreover, he should not have entered the Imperial Establishments in his Statement. Bungalow charges appertain to local expenditure.

No. 452. Order thereon, 18th June 1868, No. 1,721.

Miscellaneous.

1. The Government sanction the proposed arrangements including the transfer of part of the establishment and the retention of Kalpatti bungalow.

2. The Board's Proceedings of 10th January 1866, No. 175, do not appear to have been received in the Government Office.

2. In paragraph 4, the Collector proposes to entertain the establishment noted in the margin, at the Manapara and Kalpatti Bungalows. The Board see no objection to this being sanctioned. In Board's Proceedings, dated 10th January 1866, No. 175, on which Government have not yet passed orders, the Board proposed to transfer the Kalpatti Bungalow to the Public Works Department. The Collector, however, considers it necessary to retain this Bungalow, as the road on which it is situated has become important since the opening of the new Railway.
