*Proceedings of the Madras Government, Revenue Department,
18th June 1868.*

No. 453. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 13th June 1868, No. 770:—

1. With reference to the Government Order, No. 1,564, of the 5th instant, I have the honor to inform you that about a month ago I received a letter from Mr. Levinge, complaining that the Forest Duffadar would not sell him a particular tree that he had applied for, and that a similar tree had been subsequently sold by auction to a native. Mr. Turnbull, the Forest Overseer, was just quitting or had quitted the district for Wynaad, to which district he has been transferred, so I forwarded the letter to Lieutenant Fullerton, and requested him to inquire thoroughly into the matter when he took up his appointment.

2. Lieutenant Fullerton is now *enroute* to join his appointment as Deputy Conservator of Madura and Tinnevely, and as he proceeds from Pulney over the Pulney Hills, he will investigate the subject at Koduikornel, and make what arrangements are necessary with regard to the fuel supply of the station.
