With reference to the second paragraph of the Proceedings of Government in the Revenue Department, No. 1,414, dated the 20th ultimo, I have the honor to state that the difference of Rupees 1,800, therein noticed, proceeds from Government having raised the original estimate of the Superintendent of Revenue Survey by Rupees 15,180, the amount of increase recommended to the Government of India, as per paragraph 2 of the Proceedings of Government in the Revenue Department, No. 2,777, dated the 23rd November last, instead of only by Rupees 13,380, Rupees 1,800 having been previously included in the Survey Estimate. The extract referring to this item from the remarks on the Budget Estimate for 1868-69 is herewith sent for the information of Government.

		1867-1868	1868-69 Increase Decrease.	
Professional Survey	351	53,500	66,900 13,400	This increase is owing to the proposed revision of the Establishment of the Central Office as per Scale submitted for the sanction of the Government of India with the proceedings of the Madras Government No. 2034 dated 30 th August 1867. The provision made by the Superintendent of Revenue Survey in his Estimate for 1868-69 was only Rs. 53,500 while the Local Government raised it to Rs. 68,700 by the addition of Rs. 15,180 sanctioned in their Order under reference, but this Office has struck out Rupees 1,800 of this amount as the Establishment Entered in the Budget Estimate of the Superintendent of Revenue Survey is in excess of what has been stated by him as the present scale in his letter to Government recorded in the Proceedings above adverted to by that amount the provision now made therefore is as follows.
Salary and allowances of the Supt. Rev. Survey		21,935		Establishment as sanctioned by Govt. Order No. 2034 dated 30 th August 1867.
