REVENUE DEPARTMENT,
FORT ST. GEORGE,
22nd June 1868.

No. 511.

No. 1,749.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

1. In continuation of my letter dated 2nd June 1868, No. 1,532, I am directed to forward, for the information of the Government of India, the latest season, &c., reports received from the Collectors of the districts marginally noted.

2. The further relief grants sanctioned by Government are as follow:—

Rupees 50,000 (in addition to the like amount sanctioned in December* 1867) for the improvement of certain roads in the North Arcot district, with the view of facilitating the transit of grain into the district.

Rupees 2,598 for work to tanks in the Darampury talook of the Salem district, this sanction being subject to the condition of necessity arising for the establishment of a system of relief-works, which at present appears unlikely.

3. There has recently been an unusually good fall of rain in the districts generally, which has very materially improved the supply of water, the condition of the pasture, and the prospects of the coming season, and has, it is hoped, removed all cause for further anxiety on the subject.

4. Agricultural operations are being everywhere recommenced, and Government apprehend that the demand for employment on relief-works will now rapidly subside.

I have the honor to be,
Sir,

Your most obedient servant,

(Signed) W. HUDLESTON,
Secretary to Government.
