*Proceedings of the Madras Government, Public Works Department,
20th June 1868.*

No. 482. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 8th June 1868, No. 848-31 :—

1. In their Order of the 2nd instant, No. 1,525, Government direct that the Chepauk enclosure shall be kept in decent order, and forbid litter, &c., in the vicinity of the buildings.

2. I have the honor to represent that, to enable me to carry out this order, it is necessary that a communication at the back of the Lithographic Press-room should be established from the shed in which the Lithographic stones are cleaned and materials prepared to the back-door of the Press-room.

3. I have the honor, therefore, to request sanction for the erection of a wall, 63 feet long and six high, cutting off a strip of ground, 23 feet wide, from the Department Public Works Store-yard. Materials for 22 feet of the required wall are available from the present dividing wall which must be pulled down.

4. Mr. Moncrieff, the Superintendent, Department Public Works Workshops, sees no objection to the proposed arrangement.

Transferred to the Department Public Works.

As improvements are in contemplation which will require the removal of the Public Works Stores from the vicinity of the building now occupied by the Revenue Survey Lithographic Press, and involve the demolition of that building, the sanction for the erection of a partition wall applied for in this letter must be withheld.
