Proceedings of the Madras Government, Revenue Department, 25th June 1868.

No. 585. Read the following Proceedings of the Board of Revenue, dated 9th June 1868, No. 4,300:—

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated on circuit at Cochin, 3rd April 1868, No. 80A.

1. I have the honor to bring to the notice of the Board that I am convinced, by what I have observed during my late Jummabundy of the Ponany Talook, that it is under-officered, and that it is most desirable, for efficient administration, that an increase be made to the talook Establishment. That the talook is relatively under-officered is pretty evident from the subjoined comparative Statement:—

2. It is impossible for three Revenue Inspectors to do their work satisfactorily with the number of Amshoms each has now to inspect; and the office work for so large and important a talook requires another Gumastah.

3. I beg, therefore, sanction for the entertainment of an extra Revenue Inspector on Rupees 30, and of an extra Gumastah on Rupees 20 per mensem, and I submit the usual Statement.

4. The charge can be met from the general savings of the Revenue Department.

ENCLOSURE No. 1.

ABSTRACT.—Statement of proposed Establishment in the Ponany Talook.

---

1. Resolved that the foregoing letter, and the tabular Statement which accompanied it, be submitted to Government.

2. The Collector is decidedly of opinion that the number of Revenue Inspectors, allowed in Mr. Pelly's scheme for the Ponany Talook, is not sufficient, and that, unless another Inspector is given, the affairs of the talook cannot be efficiently administered. He also considers that an additional Gumastah is needed for the transaction of the heavy work in the talook Cutcherry. The Board are convinced that the extra aid, now asked for by the Collector, is absolutely necessary, inasmuch as the present Ponany Talook was formed by the amalgamation of the three talooks of Chowghat, Betutnaad, and Kututnaad. It extends north and south fifty miles, over a closely-settled country, and the revenue of it exceeds three lacs of Rupees, which is not the case with the other talooks to which the same number of Revenue Inspectors is given. The Collector's proposition involves an increase of 50 Rupees per month, or Rupees 600

per annum, and the Board beg to recommend that the sanction of the Government of India may be obtained for the increase.

No. 586. ORDER THEREON, 25th June 1863, No. 1,785.

Miscellaneous.

Sanction is accordingly granted for the entertainment of one Inspector on the salary of Rupees 30 per mensem, and one Gumastah on Rupees 20 per mensem, in the Ponany Talook of the Malabar District. This charge will be reported to the Government of India in the monthly statement.
