Proceedings of the Madras Government, Revenue Department,
26th June 1868.

No. 625. Read the following letter from the Superintendent of the Government Chinchona Plantations, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 16th June 1868, No. 74 :—

1. With reference to the Order of Government, dated 8th June 1868, No. 1,593, I have the honor to enclose a letter from Mr. Batcock, the Deputy Superintendent of Chinchona Plantations, and regret that he still feels that the state of his health compels him to abide by his first intention of resigning his appointment.

2. In selecting Mr. Batcock's successor, I trust that Dr. Cleghorn and Dr. Hooker will be able to procure a good garden Botanist, as we are now arranging and laying out the botanical portion of the gardens. The work in the Chinchona Department will be all but completed prior to his arrival.

From the Deputy Superintendent of the Government Chinchona Plantations, to the Superintendent of the Government Chinchona Plantations, dated Ootacamund, 16th June 1868.

With reference to the Order of Government, under date the 8th June 1868, No. 1,593, I have the honor to inform you that I appreciate very much the consideration the Government have shewn me with reference to the resignation of my appointment, and however much I would wish to retain my present situation, I regret that the state of my health compels me to abide by my previous intention ; as I suffer from an impeded action of the heart, I feel anxious to return to my native country for an indefinite period, where I feel assured that a few winters will remove the symptoms from which I at present suffer.

No. 626. ORDER THEREON, 26th June 1868, No. 1,803.

Ordered to be communicated to
Dr. Cleghorn.

Governor in Council to for-
ward to you, Proceedings
of Government of this day's

of Mr. Batcock's letter,
in which he communicated
his resolution to abide by
his previous intention of

secure

secure the services of a
competent successor as al-
ready desired in my letter
dated 27th March 1868, No. 809.

2- Copies of these papers
have been forwarded to the
Secretary of State and you will
place yourself in communication
with him as to the arrangements
to be made for sending the
person whom you may engage
to this country.

It might be necessary, when

the person is engaged, for some one

to agree to and pay, advancing for outfit

under the name of the Secretary of State

and when the selection is brought to his notice

he might find fault with the price for not having

attended to the rule laid down that requests are given

for the person to be sent from any Department from

England should be provided through him. I think

therefore that these papers might be sent

to the Secy of State with an intention

that Dr. Hyslop was requested to make

the selection in the present instance

as a special case. In that case the

following may be added to the

draft letter -

2. Copies of these papers have been

forwarded to the Secretary of State

and you will kindly place yourself in

communication with him as to the

arrangements to be made for sending the
