*Proceedings of the Madras Government, Public Works Department,
24th June 1868.*

No. 592. Read the following letter from the Postmaster General, Madras, to the Secretary to Government, Public Works Department, dated Ootacamund, 12th June 1868, No. 1,336:—

1. In the Proceedings of the Board of Revenue, No. 7,051, dated 20th August 1867, paragraph 6, the Board propose that certain roads in the Madura District should be declared Imperial lines, and they observe that, if this be acceded to, they will be in a position to have the road from Dindigul to Caroor put into thoroughly good order as a first class cart road.

2. These Proceedings were, by Government Order, Revenue Department, of the 15th November 1867, communicated to the Department Public Works.

3. I beg that I may be informed whether the arrangements proposed by the Board of Revenue has been sanctioned. The Southern Mails are much delayed by the badness of the road from Caroor to Dindigul; and the latest report that I have received on the subject, states that the road is not being repaired, nor are the rivers or nullahs being bridged.

No. 593. ORDER THEREON, 24th June 1868, No. 2,014.

CIVIL WORKS, No. 84.

The classification of roads as Imperial and Local Fund lines of communication being still under consideration, the Postmaster General will be informed that the Government have deferred passing final orders upon the arrangements proposed by the Board of Revenue in their Proceedings of the 20th August 1867, No. 7,051.
