No. 655. Read the following letter from the Accountant General, to the Chief Secretary to Government, Fort St. George, dated 25th June 1868, No. 86 :—

In forwarding, as usual, the monthly Statements of Fresh Charges for April last, I have the honor to request, that as no direct sanction has as yet been conveyed in the Orders of Government noted in the margin for raising the salary of Mr. Overseer Turnbull from Rupees 80 to Rupees 100, though the latter sum would, with reference to Government Order, Revenue Department, seem to be the salary fixed for that officer, Government will be pleased to intimate to me from what date this increased allowance is to be passed. I have, however, included this additional charge in the Statement appertaining to the Revenue Department now sent.
