Proceedings of the Madras Government, Revenue Department,
1st *July* 1868.

No. 1. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 8th June 1868, No. 763 :—

Referring to the Government Order No. 3,019, of the 19th December 1867, I have the honor to request that the temporary arrangement now in force in the Salem District, by which Lieutenant Walker is testing the best mode of distributing the sanctioned amount of his Establishment, may remain in force for another period of six months. Lieutenant Walker has, in communication with the Collector, drawn up a new scheme for an Establishment to be brought into force from the commencement of next official year, but the scale is so far in excess of the present sanctioned amount that it requires to be well considered, and I cannot report upon it, or lay it before Government, until I have visited the district and consulted with the Collector and the Deputy Conservator.

No. 2. ORDER THEREON, 1st July 1868, No. 1,831.

Forests, No. 1.

The Government sanction the continuance of the arrangement in question for a further period of six months.
