*Proceedings of the Madras Government, Revenue Department,
2nd July 1868.*

Read the following:—

No. 30. Proceedings of the Board of Revenue, dated 10th March 1868, No. 1,734.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 20th February 1868, No. 46.

1. I have the honor to inform you that, in consequence of the abolition of the salt-pans at Karapa, agreeably to the orders of Government, dated 11th May 1865, No. 995, the Salt Superintendent's Cutcherry has been removed to Penuguduru.

2. The building which was hitherto used by the Salt Superintendent as his office is now unoccupied. The probable value of the building is Rupees 300.

3. The Superintendent of Police has been asked to convert the Salt Cutcherry at Karapa into a Police station if necessary, but he writes that he does not require it; a copy of his letter is herewith forwarded. I therefore request you will be good enough to obtain the sanction of Government for the sale of the building by public auction.

—

From the Superintendent of Police, to the Collector of the Godavery District, dated Rajahmundry, 9th February 1868, No. 13.

No. 5 of 6th January 1868.

1. With reference to your letter, noted in the margin, I have the honor to state that I do not think that Karapa is well situated for an ordinary Police station, and as the chief duty of the Police at that place is the care of salt treasury and platforms now removed, I do not think it will be advantageous to retain it.

2. Patrol of the villages and the watching of the swamps to prevent illicit manufacture can, I think, be carried out better from Kongodu, situated on the main road leading to Ramachendrapur and Amalapur Talooks, at which place we have now a Station-house. Under these circumstances, I do not think it will be desirable to retain the Salt Cutcherry as a Police station.

—

The Collector should ascertain whether any other department wants the building.

—

No. 31. Proceedings of the Board of Revenue, dated 19th June 1868, No. 4,537.
Read again Board's Proceedings, dated 10th March 1868, No. 1,734.

Read also the following letter from the Acting Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 26th May 1868, No. 132.

With reference to the Proceedings, dated 10th March 1868, No. 1,734, I have the honor to state that I addressed the Superintending Engineer to know whether he wants the Salt Cutcherry, but he writes that he does not require it. A copy of his letter is herewith forwarded. There is no other department to which I could offer the building in question.

—

From the Superintending Engineer, 1st Division, to the Acting Collector of the Godavery District, dated Camp at Dowleswaram, 31st March 1868, No. 299.

In reply to your letter, No. 14, of 26th instant, I have the honor to inform you that the building therein referred to is not required by this department.

*Proceedings of the Madras Government, Revenue Department,
2nd July 1868.*
