Revenue DEPARTMENT.

G.O. No.	187	Press Mis.
375-376 Dated	23-1-	1868.

*Proceedings of the Madras Government, Revenue Department,
23rd January 1868.*

No. 375. Read the following Proceedings of the Board of Revenue, dated 8th January 1868, No. 90.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated 31st October 1867, No. 278:—

1. I have the honor to forward, herewith, copy of a report,* submitted to me by my Sub-Collector, on the two petitions presented to His Excellency the Governor during his late tour to Dindigul.

2. Both the petitioners pray for a grant of land for the maintenance of the two Chuttrums built by them severally at their own cost in the town of Dindigul; one of the two Chuttrums was built in 1857, and the other forty years ago.

3. In addition to these two Chuttrums, there are other Chuttrums at Dindigul, called Burley Vencata Row's, and Kalinarayanappiar's. Brahmin travellers only seek accommodation in the latter-mentioned Chuttrums, while Sudras and lower classes halt at the two Chuttrums alluded to in the petitions. I would, in consideration of the numerous travellers frequenting Dindigul, support the recommendation of the Sub-Collector as to the grant of the land to each of the two Chuttrums.

4. A translate of the rough sketch of the Chuttrum erected by Chokalingum Pillay is also herewith submitted.

From the Sub-Collector of Dindigul, to the Collector of Madura, dated Dindigul, 9th October 1867, No. 138.

1. I have the honor to report on the enclosed two petitions, which were presented to His Excellency the Governor during his late visit to Dindigul.

2. Both of them request a grant of land for the maintenance of Chuttrums, built by the petitioners at their own cost, in the town of Dindigul.

3. I herewith forward a rough sketch of the Chuttrum erected by first petitioner, Chokalingum Pillay, at a probable cost of 3,500 Rupees. It affords accommodation to all classes; that provided for the lowest class has only a thatched roof, but a tiled one is to be substituted.

4. The site of the building, as well as of the tope and a cart-stand, appertaining thereto, is $1\frac{1}{4}$ Gulies, or 1.03 Acres in extent, and entered in the accounts as garden land, taxed at Rupees 4-1-4. When the building was built in 1857, the lands were given to the petitioner (rent-free) by an order of Mr. Childes, dated 22nd February 1858. This building is chiefly made use of by Sudras, the Brahmins halting at Burley Vencata Row's and Kalinarayanappiar's Chuttrums newly built in pursuance of the Decree of the Civil Court.

5. Under these circumstances, I would support the request of the petitioner for a grant from Government to the extent of 60 Rupees per annum, for which there are available dry waste lands in the village of Adianoothu, in the Dindigul talook.

6. Arnachellum Pillay's Madum, which forms the subject of the second petition, and which is situated just opposite to the one above referred to, seems to have been built some forty years ago. It is chiefly used by low caste and poor travellers. I think an endowment of dry land, of the annual value of Rupees 20, would suffice for its support.

ENCLOSURE No. 2.—Plan of Chuttrum.

1. Submitted for the orders of Government.

*Proceedings of the Madras Government, Revenue Department,
23rd January 1868.*

2. The sketch of Chokalinga Pillay's Chuttrum shews that the accommodation afforded by it is very limited, and Arnachellum Pillay's Madam is admittedly not used by all classes. They are both situated within the same town.

3. Under these circumstances, the Board do not consider that the Chuttrums can be considered to have any valid claim to endowment; but they think it desirable to encourage institutions of this description, and recommend that Government should do so in this case by a grant of waste land, assessed at about Rupees 40 per annum, or two-thirds of the maximum endowment contemplated by the rules.

No. 376. ORDER THEREON, 23rd January 1868, No. 187.

Miscellaneous.

The Government sanction a grant of land of the value of Rupees 40 yearly for Chokalingum's Chuttrum, and a similar grant of Rupees 20 value, as recommended by the District Officers for Arnachellum Pillay's Muttum.
