*Proceedings of the Madras Government, Revenue Department,*
*10th July* 1868.

No. 191. Read the following letter from the Acting Collector of Madura, to the Secretary to Government, Revenue Department, Fort St. George, dated Madura, 3rd July 1868, No. 1,613 :—

With reference to Government telegram, No. 32, of the 20th ultimo, I have the honor to state that in the Cotton Cultivation Report for May last only the extent actually cultivated in April and May has been exhibited for the current official year, as directed by the Board in their Circular Memorandum of the 22nd July 1867, No. 790. The extent for last Fusly was taken from the office copy of the return for May of that Fusly, but the cultivation of that year from July to May was entered in it by mistake. This error has caused the present apparent discrepancy. The Statement will in future be carefully prepared.

No. 192. ORDER THEREON, 10th July 1868, No. 1,918.
