Proceedings of the Madras Government, Revenue Department,
11*th July* 1868.

No. 224. Read the following Proceedings of the Board of Revenue, dated 3rd July 1868, No. 4,880 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 30th April 1868, No. 431.

1. I have the honor to request that the Board of Revenue will be pleased to obtain the sanction of Government for the erection of a Cutcherry for my Head Assistant at Kundapur, the head-quarters of his division.

2. The Board are aware that this Officer was lately transferred from the southern to the northern part of the district, and placed in charge of the Kundapur and Udipi Talooks under the orders of Government noted in the margin. Ever since his transfer to Kundapur, he has had no regular office, but has been obliged to accommodate his establishment in a temporary shed erected for that purpose at his private expense, and this though he has never drawn extra* tent allowance on account of the accommodation provided.

G. O., 3rd February 1866, No. 290, R. D.

* Standing Order, No. 379, Clause 11.

3. An office being required, and knowing of no standard plan, I requested the Range Officer to prepare a rough estimate, and he has furnished the accompanying plan† which appears calculated to answer every requirement.

† Enclosure No. I.

4. The Range Officer estimates the cost of the building at Rupees 5,600, and has furnished a detailed estimate‡ for that amount. The estimate, however, has not been countersigned by the Superintending Engineer, and until it is passed by him, can only be treated as a rough or approximate estimate. In the meantime, should the plan of the building meet the approval of the Board, I request that the same may be forwarded to Government for sanction, on receipt of which the Superintending Engineer may be requested to have a more accurate estimate prepared.

‡ Enclosure No. II.

5. It will be an advantage, if, while the detailed estimate is being prepared, funds to the extent required are provided for the eventual execution of the work, and, with this view, I have the honor to request that a round sum of Rupees 6,000 may be secured out of the Imperial Reserve of the current year, so that the work may be put in hand at once when finally sanctioned.

ENCLOSURE No. 1.—Plan.

ENCLOSURE No. 2.—Estimate.

---

1. An office for the Head Assistant Collector of South Canara, at Kundapur, being absolutely necessary, the Board approve of the proposed plan, and resolve to submit it for the sanction of Government.

Proceedings of the Madras Government, Revenue Department,
11th July 1868.

2. The Acting Collector will be requested to state how the arrangement, proposed in paragraph 8 of the Collector's letter, dated 17th January 1866, No. 14, for accommodating the Head Assistant's office in the public bungalow at Kundapur, came to be abandoned.

3. Adverting to the last paragraph, the Board would suggest that the necessary funds for the proposed building be provided by Government during the current year.

No. 225. ORDER THEREON, 11th July 1868, No. 1,935.

Miscellaneous.

The Government await the Acting Collector's reply to the Board's reference on the subject of the public bungalow, before disposing of these papers.
