Proceedings of the Madras Government, Revenue Department,
11th July 1868.

No. 233. Read the following letter from the Accountant General, to the Secretary to Government, Revenue Department, dated Fort St. George, 9th July 1868, No. 96 :—

I have the honor to forward, for the information of Government, copy of a letter, dated 1st July 1868, No. 47, from the Treasury Deputy Collector of Coimbatore, intimating that certain copper coin boxes are kept in a verandah outside the Treasury room for want of accommodation inside, and to suggest that arrangements may be made for extending or altering the Treasury building, so as to afford adequate room for the boxes in question. I consider it to be unsafe to leave the Government treasure in the state in which it seems to have been left in the present instance.

From the Deputy Collector in charge of the Treasury, Coimbatore, to the Accountant General, Madras, dated Coimbatore, 1st July 1868, No. 47.

I have the honor to bring to your notice that copper coin, to the value of Rupees 31,050, has not yet been taken out of the boxes in which they were packed at Madras, and is entered in the Cash Balance Report as under shroffage. There is no room in the Treasury building to secure it if taken out of the aforesaid boxes, which, therefore, are kept piled up in a verandah out of the Treasury room, but inside the building. The circumstance has been reported to the Collector, who has personally inspected the locality.

No. 234. ORDER THEREON, 11th July 1868, No. 1,940.
