*Proceedings of the Madras Government, Revenue Department,
16th July 1868.*

No. 313. Read the following letter from the Superintendent of the Government Chinchona Plantations, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 3rd July 1868, No. 96 :—

1. I have the honor to forward the enclosed letter from the Deputy Superintendent of Government Chinchona Plantations, with reference to furnishing him and his family with a passage to England in September next.

2. Mr. Batcock has a wife and four children ; the ages of the latter are 1, 3, 5, and 6 years respectively.

From the Deputy Superintendent of the Government Botanical Gardens and Chinchona Plantations, to the Superintendent of the Government Botanical Gardens and Chinchona Plantations, dated Ootacamund, 3rd July 1868 :—

I shall feel obliged by your being so good as to apply to Government for instructions with reference to providing a passage to England for myself and family. As already intimated, I would wish to leave this country early in September next.

No. 314. ORDER THEREON, 16th July 1868, No. 1,979.

Miscellaneous.

According to the terms of Mr. Batcock's agreement, dated 10th August 1861, a free passage is allowable only in

the event of the Government terminating his engagement within five years. Mr. Batcock has now himself resigned his appointment after a service of seven years. He is not therefore entitled to a free passage, but in consideration of the uniform satisfaction which Mr. Batcock has given in the discharge of his duties, the Government will be prepared to grant him, as a special case, a sum of Rupees 1,000 as passage money, leaving him to make his own arrangements in regard to the passage of himself and family.

his proposed action is no
doubt strictly correct, but
I should be disposed to
settle a point in favor of
his Network. He has been
an excellent servant of the
Soc. - I would grant him
£100 as postage money
and have him to make
his own arrangements; this
of course is additional
to the donation of the 2400
which he is to receive -

I have no objection
