Proceedings of the Madras Government, Judicial Department,
11th July 1868.

No. 98. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd June 1868, No. 147.

With reference to paragraph 4 of our letter, No. 119, dated 4th ultimo, we have the honor to report on the Subsidiary Jail requirements of the town of Mangalore.

2. Here are located the Magistrate of the District, an Assistant Magistrate, a Taluq Sub-Magistrate, and also a Sub-Magistrate for the town.

3. The Subsidiary Jail and Police Lock-up are in the Tahsildar's Cutcherry (Plan *A*), and consist of three rooms, which will hold 10 prisoners in all. The ventilation is very defective, and we are unable to provide the requisite accommodation for that number of prisoners for whom the district returns show space has to be secured.

4. We, therefore, propose to build a Jail of six wards, three 16'×15', and three 8'×15', to accommodate 27 prisoners in all, in the compound of the Collector's Cutcherry.

5. The arrangements we have made are shown in yellow in plan *B*. The Jail is joined to the Huzoor Treasury by a passage 40 feet in length, so that one Police guard may be able to look after both Jail and Treasury.

6. We have indicated the position that the new Jail should occupy. The passage, should there be no available opening at the spot we have shown, can be moved in either direction. It is not necessary except for symmetry that it should lie in the centre of the Jail.

7. The subsidiary buildings, that is, latrine, cook-house, and hospital-shed, are all entered in the plan.

No. 99. ORDER THEREON, 11th July 1868, No. 1103.

In the foregoing report the Committee on Subsidiary Jails recommend that six wards, three 16'×15', and three 8'×15', together with the necessary subsidiary buildings, viz., cook-house, hospital-shed, and latrine, should be built in the town of Mangalore for the accommodation of the number of persons (27) likely on an average to be sentenced to imprisonment by the Magistracy to periods not exceeding thirty days.

2. The Governor in Council approves of the Committee's recommendation, and directs that their report, together with the plans received with it, be referred to the Public Works Department, in order that plans and estimates may be prepared for sanction.
