Proceedings of the Madras Government, Revenue Department,
18th July 1868.

Read the following letters:—

No. 338. From the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 25th February 1868, No. 573:—

1. Referring to the Resolutions of the Government of India, dated 11th November 1867, No. 350, communicated in G. O., 7th December 1867, No. 2,930, I have the honor to forward, herewith, a general tabular Statement of revised establishments of the several forests under conservancy.

2. The establishment of the Salem Range will undergo alteration at the end of six months, agreeably to G. O., dated 19th December 1867, No. 3,019.

3. As regards the discrepancies noticed* by the Government of India, between the totals of the Budget Estimate and those of the Statement of last sanctioned scale of establishment, I beg to observe that the subjoined items, aggregating Rupees 580, being of a temporary nature, were not included in the Statement referred to:—

* Paragraph 6, Resolution of 24th January 1868, No. 40, Public Works Department, communicated in G. O., 13th February 1868, No. 407.

	Salary.	Travelling Allowance.	Total.		
	RS.	RS.	RS.	A.	P.
Central Office		200	200	0	0
Annamallay	200	60	260	0	0
Wynaad		120	120	0	0
			580	0	0
Additional expenditure sanctioned for Nelumbur			516	0	0
Add fractional difference			26	6	0
			1,122	6	0
Amount admitted by Government of India as per Statement			1,40,327	10	0
Office contingencies			4,050	0	0
Total expenditure			1,45,500	0	0

The sum of Rupees 200 under head "Annamallay" is a provision for the pay and batta of a 3rd Class Hospital Assistant, whose services in that Range are not required for more than six months in a year, whilst the other three items represent the batta payable to the Draughtsman and Peons attached to the Central Office and the Accountant of Wynaad Range, when these individuals have to travel with their respective employers. The Head Overseer of Annamallay Range, when engaged in measuring and arranging planks at the Ponany Depôt, after the close of the floating season, is also allowed to draw batta; hence the entry of Rupees 60 for this purpose in the Budget. A lump sum of Rupees 516 was entered in the Budget Estimate by the Madras Government on account of the revised establishment of Nelumbur Plantation, sanctioned† at an extra monthly cost of Rupees 43, which, it would appear, was not included in the scale they transmitted to the Government of India with the Budget of this department for 1868-69.

† G. O., dated 5th November 1867, No. 2,618.

4. With respect to the excess of expenditure, referred to in paragraph 7 of the Resolution above quoted, I beg to explain that the amount originally sanctioned by the Government of India was Rupees 10,529-15-6, and the fresh charges entered in the Statement to which they advert was Rupees 714, as will be clearly seen from the scale of revised establishment now submitted. This latter amount includes the pay of the Nundial Talook Gumastah of the Kurnool Forests, which has now been expunged,* as the services of the Gumastah have been dispensed with; the two lump sums making up a total of Rupees 11,243-15-6, which is the correct amount, as shewn in the Statement reviewed by the Government of India.

* Proceedings of Government of India, 28th January 1868, No. 57, Public Works Department, communicated in G. O., 15th February 1868, No. 430.

The details of the total expenditure entered in the Budget Estimate for 1868-69 are as follow:—

	RS.	A.	P.	RS.	A.	P.	RS.	A.	P.
Amount of the scale sanctioned by Government of India							10,529	15	6
Amount of proposed scale as given in the Statement which accompanied the Budget Estimate for 1868-69	702	0	0						
Pay of Talook Gumastah of Kurnool included in do.	12	0	0						
				714	0	0			
Total amount of do.							11,243	15	6
Travelling allowance of the Conservator and 1st Class Travelling Deputy Conservator							450	0	0
Additional expenditure for revised estimate of Nelumbur Plantation							43	0	0
							11,736	15	6
Add temporary charge alluded to in the foregoing paragraph									580
Fractional difference									26
Total									1,41,450

5. I trust the foregoing explanation will be deemed satisfactory by the Government of India, who were not, I presume, aware of the sanction accorded by this Government to the additional and revised establishments of certain Ranges, and were consequently led to remark upon the apparent difference between authorized and unauthorized charges; and I would beg, in conclusion, to take this opportunity to request that you will favor me, in future, with three or four copies of all statements of fresh charges in connection with the Forest Department, that may be transmitted to the Government of India, to enable me to point out distinctly in the Budget Estimate all such items as require the final sanction of that Government, and to obviate the necessity for any subsequent explanations.

No. 339. From the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Bolamputty, 23rd May 1868, No. 746.

1. In re-submitting the general tabular Statement of the Forest Establishments of this Presidency, agreeably to the instructions contained in your official

Memorandum, dated 24th ultimo, No. 44, I have the honor to observe that, as remarked in your Official Memorandum above quoted, the Officer sanctioned for Wynaad Forest by the Government of India was of the 2nd Class Grade, and the entry in the Statement has been altered accordingly.

2. The Statement now under submission embraces all the recent sanctions of Forest Establishments, and will, I trust, be found accurate and complete.

No. 340. ORDER THEREON, 18th July 1868, No. 1,989.

Forests, No. 6.

1. With the second of these letters the Officiating Conservator forwards the general tabular Statement of the Forest Establishments of this Presidency, revised with reference to Official Memorandum from this Department, dated 24th April 1868, No. 44.

2. To render this Statement complete to date, the sanctions of the Government of India, recorded in G. Os., 2nd and 26th June 1868, Nos. 1,529 and 1,799, have been included in it in this Office, and the Statement, as thus altered, will be forwarded to the Government of India, with reference to paragraph 3 of their letter, dated 11th November 1867, No. 350 F.

3. In their Proceedings of 24th January 1868, No. 40F, paragraphs 6 and 7, the Government of India pointed out certain discrepancies between the total on account of establishments in the Forest Budget Estimate for 1868-69, and that in the Statement of sanctioned establishment which accompanied that Budget, and between the former and the amount stated to have been actually sanctioned for the purpose. These discrepancies are explained in paragraphs 3 and 4 of the Officiating Conservator's letter of 25th February 1868, above recorded, to which the attention of the Government of India will now be drawn.

4. Copies of all Statements of fresh charges, &c., relating to the Forest Department, submitted from this Department to the Public Works Department of the Government of India, will in future be furnished to the Officiating Conservator, as requested in paragraph 5 of his letter of 25th February 1868, above referred to.
