The net increase consequent on these arrangements, viz., Rupees 75 per month, can be met from general savings in the Forest Grant.	The arrangements here reported are as follow :— Deputy Conservator, 2nd Class, in Wynaad, transferred to Madura and Tinnevelly, it being very necessary, with reference to the requirements of the southern districts, that a skilled Officer of standing should have charge of this new united range. Captain Beddome's detailed report of his tour through the Tinnevelly Forests, recorded in G. O., 6th January 1868, No. 29, (Forest, No. 3,) indicates that there is a large field for forest operations in this district.
