*Proceedings of the Madras Government, Public Works Department,
17th July 1868.*

No. 387. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 26th June 1868, No. 877 :—

I have the honor to bring to the notice of Government that a sum of Rupees 3,739-3-11, which was spent on the "road from Bellary to the Cuddapah frontier" in 1865-66, was erroneously debited to the District Road Fund in the accounts for that year, instead of to Income Tax Funds, to which it was properly chargeable, under the authority of G. O. of the 8th March 1866, No. 776. The Accountant General now requests that this amount may be repaid to the District Road Fund; but looking to the time which has elapsed since the outlay was incurred, and to the circumstance that the whole of the unexpended balances of Income Tax Funds on the 31st March last has been already appropriated, I would beg to recommend that the charge be allowed to stand to the debit of the District Road Fund.

No. 388. ORDER THEREON, 17th July 1868, No. 2,274.

ACCOUNT, No. 28.

Under the circumstances represented by the Controller of Public Works Accounts, the expenditure referred to in this

letter will remain as a charge against the District Road Fund.
