Proceedings of the Madras Government, Revenue Department,
21st July 1868.

No. 373. Read the following letter from the Colonial Secretary, Colombo, to the Chief Secretary to the Government of Fort St. George, dated Colombo, June 1868, No. 26 :—

1. The Ceylon Government being anxious to take steps for improving the Ceylon breed of cattle, I am directed to inform you that His Excellency the Governor would feel much obliged if, with the permission of His Excellency the Governor of Madras, you would cause application to be made to the Commissioner of Mysore to use his good offices to obtain for Ceylon 15 young bulls. They should be not too large, as the native cattle here are very slight, and they should be between two and three years of age.

2. I am to add that the cost is not of much importance so long as suitable, well-bred, clean-limbed, and muscular animals can be secured, and these qualities, this Government has been informed, can be obtained in Mysore at from £10 to £15 a head.

No. 374. ORDER THEREON, 21st July 1868, No. 2,007.

Miscellaneous.

Ordered that the foregoing letter be communicated to the Commissioner of Mysore.

(True Extract.)

(Signed) H. SEWELL,
Acting Under Secretary to Government.
