No. 477. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 3rd July 1868, No. 882 :—

1. With reference to G. O., No. 1,386, dated 4th May last, I have the honor to bring to the notice of Government that Road No. 9 lies in both the first and second Ranges of the Tinnevelly District. For the portion in the first Range an estimate of Rupees 2,040 has been sanctioned in last year, on which there has been an expenditure of Rupees 991, leaving a balance of Rupees 1,049 for the work in this year; but as no provision has been made for this road in the Imperial Budget, as already explained,* I have allotted Rupees 1,049 from the sum of Rupees 5,000 granted in the above G. O. to the first Range, and gave Rupees 3,951 to the second Range. The unallotted balance of the estimate of Rupees 14,700 in the second Range is, therefore, Rupees 5,049, which sum I beg the Government will be pleased to assign later in the year, instead of the Rupees 4,000 promised in the G. O. under acknowledgment.

* Letter No. 178, dated 22nd April 1868.

No. 478. ORDER THEREON, 21st July 1868, No. 2,320.

ACCOUNT, No. 36.

The Government will endeavour to allot later in the year the increased amount applied for in this letter for the road from Tenkasi to Palamcottah in the Tinnevelly District.
