revision of the existing tariff on cotton goods.

2. With reference to paragraph 2 of letter from the Financial Secretary to the Government of India, No. 1,259, of February 27th, 1868, I beg respectfully to remark that by the omission of coral, both wrought and unwrought, from the tariff, a loss of at least 50,000 Rupees has already been incurred by Government since April 1867.

Resolved that the letter above recorded be submitted to Government, in view to the attention of the Government of India being drawn to the loss of revenue which the exclusion of coral from the tariff entails.

ORDER THEREON, 24th July 1868, No. 2,030.

Customs.

It is observed that the receipts from the duty on coral in the three Presidencies amounted only to Rupees 55,402 in 1864-65, it is not clear therefore how the

exemption of this article from duty in 1867-68 can have occasioned a loss of revenue of Rupees 50,000 at Madras.
