*Proceedings of the Madras Government, Revenue Department,
24th July 1868.*

No. 422. Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 20th July 1868, No. 1,048-41 :—

1. I have the honor to request that Government will be pleased to accord sanction to my entertaining, from June 1868, D. Ramiah as Translator and S. Singam Iyengar as Store-keeper in my Office, without requiring them to pass the General Test. The former has been transferred from the Civil Court of Chingleput, and the latter from No. 1, Revenue Survey, Coimbatore. The Examiner of Claims

Store-keeper „ 32

has informed me that they should either pass the test or be exempted from it before he admits the charge for their pay.*

2. From the Memorandum annexed, the Government will observe that, under paragraph 3 of G. O., dated 2nd May 1859, No. 680, Ramiah having held permanent Government employ for more than five years, is deserving of their favorable consideration.

3. As regards the appointment of Store-keeper, I beg to state that it requires a person of integrity, possessing a certain knowledge of surveying instruments, &c. Major Hessey, under whose orders Singam Iyengar was serving, reports “that he has been in charge of stores since 1862, that he understands his work well, and that he (Major Hessey) believes him to be perfectly honest.” He has given security to the amount of Rupees 500, and he is willing to give further security to a like amount. As it is difficult, among passed Candidates, to meet with a person possessing the special qualifications required, and inadvisable to entrust valuable instruments to one who may have passed the prescribed test, but who has not seen or handled an instrument, I request that sanction may be granted to his being exempted from the operation of the Rule, by which he is not allowed to draw more than Rupees 20 per mensem. I may mention here that, under Order of Government, 7th March 1863, No. 74, the office of Store-keeper in the Office of the Inspector General of Madras Police has been excluded from the provisions of the Rule.

from their list, it is inferred that he is not considered liable to the General Test, having passed the Special Tests referred to.

1. D. Ramiah was continuously in the public service* as Munshee from January 1856 to the abolition of the Office of the Board of Examiners early in 1867. On the strength of his having been in the service prior to January 1859, he was admitted to and passed the Special Tests as per margin. He was not eligible for examination† in any of these tests unless he had either passed the General Test or had been exempted from the necessity for passing. The other Munshees who were likewise thrown out of employ, were declared eligible to re-employment‡ without passing it, and from the exclusion of his name

2. S. Singam Iyengar has been continuously in the permanent employ of Government since September 1859. He passed the General Test in the Vernacular and Judicial Test, Criminal, Lower Grade in English. He was declared eligible for the latter test in English, notwithstanding that he had passed the former in Tamil. He was in receipt of Rupees 25 per mensem on the date of his transfer to the Central Survey Office as Store-keeper, an appointment, which, as before stated, requires special qualifications, and which, from the experience he had in No. 1 Party, he possesses.

duties required to be performed by S. Singam
Iyengar they are pleased to exempt him
from this test so long as he is employed
