(The usual complimentary words omitted).

In the Proceedings of Government under date the 8th July 1868, it is mentioned that it is directed that the Collectors through whose Districts I may pass, will afford me every assistance that I may require on my journey to Rameswaram.

Accordingly the Proceedings was communicated to all the Collectors except the Collector of Tanjore where Rajamannar Couil is situated. As I propose to visit this temple and as from the Proceedings it does not appear that they have been communicated to the Collector of Tanjore I request that you will be pleased to ensure that same Proceedings are communicated to that Collector also.

10th July 1868.
