*Proceedings of the Madras Government, Revenue Department,
27th July 1868.*

No. 428. Read the following letter from the Government of India, Public Works Department, (Revenue—Forests,) to the Secretary to the Government of Madras, Revenue Department, dated Simla, 9th July 1868, No. 221 F:—

1. From Entry No. 16 of the Proceedings of the Government of Madras in the Forest Department for April 1868, (page 14,) it appears that the Government of Madras have sanctioned the promotion of Messrs. Yarde and Sheffield from the grade of Sub-Assistant Conservator (on salaries of Rupees 150, *plus* consolidated travelling allowance of Rupees 30 = Rupees 180 per mensem) to that of Assistant Conservator, 3rd Class, (on salaries of Rupees 200, *plus* consolidated travelling allowance of Rupees 60 = Rupees 260 per mensem).

2. As this apparently entails the creation of two additional appointments of Assistant Conservators, 3rd Class, I am directed to state that the sanction of the Government of India should be applied for.

3. In connection herewith, I am to draw attention to this Office No. 350F, dated 11th November 1867, calling for a complete Statement of the sanctioned Forest Establishment in the Madras Presidency, and to suggest that when this Statement is prepared, the whole of the superior appointments, to that of Overseer downwards, might be formed into one classified list, without reference to Forest ranges or districts. Such an arrangement would make it more convenient for the Government of India to deal with applications for re-distribution of establishments.

No. 429. ORDER THEREON, 27th July 1868, No. 2,034.

Forests, No. 9.

* G. O., 17th April 1868, No. 1,008.

1. The sanction* referred to in paragraphs 1 and 2 of the foregoing letter will be reported in the Statement of Charges for April 1868, to the Government of India for their confirmation.

2. The Statement of the sanctioned Forest Establishment in this Presidency, alluded to in paragraph 3, has already been forwarded† to the Government of India.

† To Government of India, 18th July 1868, No. 1,990. The Officiating Conservator will prepare and submit, for transmission to that Government, the classified list required in the same paragraph.

The additional establishment, consisting of one Gumastah and three Peons for Bolumpetty, and one Gumastah, one Duffadar, and two Peons for Chenat Nair, is absolutely necessary to carry out the contemplated operations in fuel reserves, and to meet the supply of firewood for the Railway, and the demand for Rosewood for the Gun Carriage Department in Madras and Bombay. The revenue from Chenat Nair, for the past year, is Rupees 6,750 from Blackwood, and from Bolumpetty about Rupees 8,500 from seigniorage, collections, and Blackwood. The Railway runs close along this belt.

The Assistant Overseer of the Range, who is to be stationed below the Ghauts, is to supervise this establishment, and as this Overseer will have a considerable amount of travelling, he has been granted a travelling allowance of Rupees 15 a-month. The monthly receipts from seigniorage in the two talooks in question are estimated at Rupees 400.

ITEM 3.—The Assistant in Cuddapah, Mr. Yarde, was placed in charge of that range in 1863; North Arcot was subsequently added, and his operations have of late embraced so extensive an area that he has now two Overseers under him. The receipts from Cuddapah since 1863 have been Rupees 1,30,000, and the charges only 30,000, shewing a clear profit of Rupees 1,00,000. The receipts from North Arcot have been Rupees 22,000, and the expenditure 8,000, which gives a surplus of Rupees 14,000.

The Assistant in Kurnool, Mr. Sheffield, was placed in charge of that range in November 1864. The receipts since that date have been Rupees 1,15,000, and the charges 31,000, shewing a profit of Rupees 84,000.

These Assistants, by their zeal in the performance of their duty, have well earned their promotion to the grade of 3rd Class Assistant; and the revenue from their ranges justifies the additional charge involved therein.
									(Sd.) F. LUSHINGTON, Accountant General, FORT ST. GEORGE, ACCOUNTANT GENL.'S OFFICE. 25th June 1868.	ITEM 5.—This Overseer has been granted a temporary addition of Rupees 50 monthly to his salary (Rupees 100) while employed in the Wynaad, where the expenses of living are very great, being the same special per-centage allowance as is made to the Executive Officers of the Department of Public Works in that district.
