*Proceedings of the Madras Government, Revenue Department,
29th July 1868.*

No. 449. Read the following Proceedings of the Board of Revenue, dated 23rd July 1868:—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated Salem, 9th June 1868, No. 145.

1. I have the honor to submit, for seal of Government, a Title Deed X., in duplicate, No. 11, for the land sold to Major Hunter on the 30th March 1865, under the rules for the sale of waste lands on the Shervaroy Hills.

2. As Major Hunter elected to pay the purchase money of this land in three yearly instalments, he has up to this time held only a Title in form Y. The whole purchase money having been paid, application is made for Title Deed X.

1. Ordered that the Title Deed, in duplicate, received with the above letter, be submitted for the seal of Government, in accordance with Rule V. of the "Subsidiary instructions relating to the sale of assessed waste on the Neilgherries, Shervaroy, and in the Wynaad," recorded in the Proceedings of Government, No. 1,208, dated 6th July 1863.

2. The deed in form Y., in lieu of which the present Deed is to be granted, was issued under G. O., dated 8th November 1866, No. 3,045.

3. The Collector should have specified the correspondence which took place at the time.

4. In the last line but two of the first page of the present Deed, the word *maintain* is incorrectly printed "*maintained*," and should be altered.

5. The Deed should also be docketed before delivery to the purchaser.

No. 450. ORDER THEREON 29th July 1868, No. 2,045.

Land Revenue.

1. Ordered that the Deed be sealed and returned.

2. The date of the Rules for the sale of waste land on the Shervaroy Hills is incorrectly printed in the sixth line of the first page as 6th March 1863, No. 478A instead of 9th March 1863, No. 488A. This error should be corrected under the Collector's initials in both copies of the Deed and in all similar blank forms.

3. The northern and western boundaries are not described in the Plan as fully as they are in the Schedule. The omissions should be supplied in both copies of the former. The description of boundaries in the Schedule and Plan should invariably correspond.

4. The Collector's attention will be called to paragraph 3 of G. O., 8th November 1866, No. 3,045, as there are several erasures in the Deed.
