Proceedings of the Madras Government, Revenue Department,
29th July 1868.

No. 451. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 17th July 1868, No. 1,852 :—

1. With reference to G. O. No. 1,931, dated 18th June 1868, sanctioning the entertainment of a petty establishment for the supervision of Local Fund works, I have the honor to enquire whether the Overseers thereunder appointed are entitled to travelling allowance and to an office establishment, both of which would seem to be indispensable.

2. The Overseer will have, not unfrequently, charge of *several* lines of roads, and for the proper supervision of his charge he will be obliged to maintain a pony, a tent, and other means of travelling, for which compensation must be allowed him, as he could hardly be expected to defray the cost of all these from his salary of 60 Rupees per mensem.

3. As regards office establishment, a Writer will be required to keep his accounts, and two Lascars to assist in surveying, guarding his cash-box, and pitching his tent.

Transferred to the Revenue Department with the remark that, in the opinion of the undersigned, the Local Fund Overseers should be placed on the same footing as the Talook Overseers on the permanent establishment of the Public Works Department.

(Signed) CHARLES A. ORR, Colonel R. E.,
Secretary to Government, P.W.D.
