*Proceedings of the Madras Government, Revenue Department,
31st July 1868.*

No. 487. Read the following letter from J. GROSE, Esq., Receiver of the Carnatic Property, to the Chief Secretary to Government, dated Madras, 27th July 1868, No. 66 :—

1. I have the honor to submit, for the consideration of Government, the enclosed letter (with enclosures) from Hajee Mahomed and others, holders of the Mahfoozpettah Certificate granted by Government on the 13th November 1866.

2. In that Certificate, the measurement of the land is given in sticks of *forty feet*, in accordance with a translation from a Persian Deed of gift executed in the office of the Collector of Madras and submitted to Government with Mr. Dale's letter, dated the 8th February 1861, No. 38.

3. It now appears, both from a translation of the same deed made by the Persian Interpreter to the High Court, and from other documents connected with the case which I have examined, that the measurement was made by a stick of **48** instead of 40 feet, and that the extent of the Estate is accordingly understated in the Certificate.

4. The purchasers of the property request that the Certificate may be amended accordingly.

No. 488.

ORDER THEREON, 31st July 1868, No. 2,064.

Miscellaneous.

Ordered that the necessary correction be made in the Certificate under the initials of the Secretary in this Department, and that the document be returned to the Receiver.

(True Extract.)

Acting Secretary to Government.
