*Proceedings of the Madras Government, Revenue Department,
1st August 1868.*

Read the following:—

No. 1. Proceedings of the Board of Revenue, dated 23rd June 1868, No. 4,647.

Read the following letters:—

From the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Camp at Allur, 23rd April 1868, No. 79.

1. Adverting to paragraph 4 of the Order of Government, No. 1,009, conveyed in their Proceedings of the 17th instant, I have the honor to state that I will make early arrangements for visiting Gooty, in view to the selection of a site for the office of the Head Assistant Collector, and a plan and estimate for the same shall be submitted without delay.

2. There is no house at Gooty available for the Head Assistant's residence. There are two old bungalows, formerly occupied by the Officer in command of the detachment of troops, and by the Head Assistant who used to be stationed at Gooty, which are now in the occupation of the Railway Engineers, but they are in a very dilapidated condition and not worth repairing, even supposing that their present occupants eventually vacate them. Under these circumstances, I request permission to submit plan and estimate for a house for the Head Assistant at the same time with those for his office. He would of course be called upon to pay a fair rent for this accommodation.

3. It is true that the public bungalow will probably not be required for travellers when the Railway is completed, but it would not afford sufficient accommodation as a permanent residence for a married man. It might be made over eventually to the District Moonsiff as a Court-house—he is badly accommodated at present in a building in the Fort; or it might be reserved for the residence and office of the Assistant who may hereafter be associated with the Head Assistant.

4. I will address the Board hereafter on the subject of the Sub-Collector's Cutcherry at Anantapur, but having recently inspected the public bungalow there, I am in a position to state that it would not afford half the accommodation required, though it might be made available for a Moonsiff's Court, which is much wanted.

From the same Officer, dated Camp at Allur, 24th April 1868, No. 84.

1. In continuation of my letter of yesterday's date, No. 79, on the subject of the re-distribution of the divisional charges in this district, I presume that it is not intended that the changes should be carried into effect until the new offices at Gooty and Hurpunhully are completed. The Deputy Collector is at present engaged in settling the compensation for lands taken up for the Railway in the Gooty, Tadpatry, Allur, and Adony talooks. It will occupy about three months to bring this work to a conclusion, and I consider it very undesirable to take it out of his hands.

2. I am opposed to the office of the Head Assistant Collector at Hospett being sold. An Assistant Superintendent of Police is stationed there, but he has no office, and this building might with advantage be made over to him as such when vacated by the Head Assistant Collector.

*Proceedings of the Madras Government, Revenue Department,
1st August 1868.*

1. The Collector will be good enough to furnish a plan of the public bungalow at Anantapur, called for in paragraph 3 of the Government Order, dated 17th April 1868, No. 1,009, and also a plan of the public bungalow at Gooty, referred to in paragraph 3 of his second letter, recorded above.

2. The proposed re-distribution of charges must of course be deferred until the new offices are ready.

3. The office of the Head Assistant Collector at Hospett may be reserved for the Assistant Superintendent of Police, if that Officer is not eventually transferred to Hurpunhully, the proposed new station of the Deputy Collector.

No. 2. Proceedings of the Board of Revenue, dated 18th July 1868.

Read again Proceedings of the Board, dated 23rd June 1868, No. 4,647.

Read also letter from the Acting Sub-Collector in charge of Bellary, to the Acting Secretary to the Board of Revenue, dated Goontacul, Talook Gooty, 6th July 1868, No. 148.

1. With reference to paragraph 2 of the Board's Proceedings, dated 23rd ultimo, and to the Collector's letters, Nos. 79 and 84, dated 23rd and 24th April, I have the honor to state that a bungalow at Gooty, recently occupied by one of the Railway officers, has since become vacant, and is now available as a residence for the Head Assistant Collector. In the same compound there is another bungalow, the rent of which is Rupees 15 per mensem, which would answer very well as a temporary office.

2. The special duty on which the Deputy Collector has been employed, viz., the settlement of compensation to be paid to the owners of lands made over to the Railway Company, is almost completed, and what remains can be done just as well in his new division. Until his office at Hurpunhully is built, there will be no difficulty in obtaining a building for the purpose at a moderate rent either there or in one of the other talooks in his division.

3. Under the above circumstances, I beg to recommend that the proposed re-distribution of charges be carried out at once. The officers immediately concerned are anxious that it should be so, and Mr. Sullivan, who has rejoined the district, but who has not yet resumed charge, has intimated to me his concurrence in the above arrangement. It is not proposed that either the Head Assistant or the Deputy Collector should draw extra tentage whilst at head-quarters. The only extra expense would be the actual rent of the buildings used as offices.

4. The plans called for in paragraph 1 shall be submitted at an early date.

1. In paragraph 4 of their Order of the 17th April 1868, No. 1,009, Government directed the transfer of the office of the Head Assistant Collector of Bellary from Hospett to Gooty, observing that they attached much importance to this step, and desired that it should be carried out with as little delay as possible.

2. Hitherto it has been impossible to carry out the transfer, there being neither house nor office-room available, but the Sub-Collector in charge now reports that

*Proceedings of the Madras Government, Revenue Department,
1st August 1868.*

a house has fallen vacant, and been secured by the Head Assistant, and that a small building adjoining is procurable for office at a rent of 15 Rupees a month.

3. Under these circumstances, the Board resolve to apply to Government for sanction for the renting of an office at Gooty at 15 Rupees a month, to admit of the Head Assistant taking up his quarters there at once, instead of waiting till a building, which has not yet been estimated for, shall have been completed.

No. 3. ORDER THEREON, 1st August 1868, No. 2,065.

Miscellaneous.

1. The proposed arrangements are approved. The Board, it is observed, are competent to sanction the charge for

Office rent (see G. O., 25th August 1864, No. 1,542).

2. The plans of the public bungalows at Anantapur and Gooty should be submitted to Government when received.
