Proceedings of the Madras Government, Revenue Department,
1st August 1868.

No. 6. Read the following Proceedings of the Board of Revenue, dated 16th July 1868, No. 5,204.

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 10th June 1868, No. 220:—

1. Referring to Board's Proceedings, No. 4,077, dated 2nd June 1868, I have the honor to forward a letter from the Head Assistant Collector, stating that there are still 1,261 old dufters which must be examined and put in order, and request the necessary sanction for the employment of a temporary Gumastah on 15 Rupees a month, for a period of four months, for arranging them, as it is impossible to carry out this work by the regular establishment of the Head Assistant Collector.

2. With reference to paragraph 2 of the Proceedings, I beg to state that the office copies of the Acts and Standing Orders have been corrected to date, according to the instructions contained in Board's Standing Order, No. 336-1.

From F. R. H. SHARP, Esq., Head Assistant Collector, Cumbum, to the Collector of Kurnool, dated 2nd June 1868, No. 145.

1. Adverting to your docket, No. 508, of the 23rd May 1868, I have the honor to state that there are 1,261 old dufters in the office to be examined and arranged as particularized in the margin.

Namely —				No.
Accounts	...	...	...	929
Revenue correspondence	...	...	...	161
Magistrates' do.	...	...	...	171
				1,261
Books of Registers of Revenue correspondence	...	...	...	53
Do. do. of Magistrates' do.	...	...	...	28
				81
				1,180

2. The regular establishment of this office has already so much work, and is so often on circuit, that the work could not be done by it within any reasonable time.

3. Calculating, therefore, that a Gumastah specially employed for the purpose would arrange rather over ten ordinary dufters per diem, and about forty book dufters, I would request sanction for the employment of a special Gumastah for the work of arranging the records of this office on 15 Rupees per mensem for four months.

1. Ordered that the foregoing letter be submitted to Government, with the Board's recommendation that sanction may be granted for the employment of an extra Gumastah for a period of four months on a monthly salary of Rupees 15, for arranging the records in the Kurnool Head Assistant Collector's office.

2. Mr. Sharp should be desired personally to inspect the work turned out by the Gumastah each week.

No. 7. ORDER THEREON, 1st August 1868, No. 2,067.

Miscellaneous.

1. Sanctioned. The Government consider it desirable to employ some experienced Gumastah on the permanent establishment in arranging the records, and to supply his place for the performance of the current duties of the office by the temporary Gumastah.

2. Before proceeding to re-arrange the immense number of records at Cumbum, the Collector, in communication with the Head Assistant, should ascertain

of what the records consist, and having determined whether any and what records may be recommended eventually for destruction, should cause these to be placed apart from those which it may be deemed advisable to preserve, re-arrange, and put in order by means of the special aid now sanctioned.

2. When this classification has been completed, orders may be solicited for destroying what the Collector thinks it useless to retain, by which means the Government believe the work of re-arrangement will be materially simplified and facilitated.
