*Proceedings of the Madras Government, Revenue Department,
24th January 1868.*

No. 414. Read the following letter from the Acting Superintendent of the Government Chinchona Plantations, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 2nd December 1867, No. 157:—

1. I have the honor to acknowledge the receipt of G. O., No. 2,757, dated 21st November 1867.

2. In accordance with the instructions conveyed in paragraph 4, I beg to state that the Superintendent therein referred, was formerly in charge of the Pycara plantations, but they have now been connected with the Neddivuttum plantations, and the whole placed under one Assistant Superintendent, as sanctioned in G. O., No. 3,355, dated 12th December 1866.

3. The Assistant being no longer required at Pycara, was transferred to the Dolabetta plantations, which are now extended over several hundred acres. One Jail is established, the convicts being employed on the plantation works, as well as a large body of free laborers; consequently the operations are extensive, and constant and careful supervision necessary. I trust, therefore, Government may be pleased to pass the sum estimated for this purpose. The other two Assistants are employed at Neddivuttum and Mél Koondah respectively.

4. The Overseer mentioned in the same paragraph has been employed in the department for seven years. He has at all times been constant and attentive to his duties, and has not hitherto received any increase of pay.

5. The sum estimated for the Jails includes both Neddivuttum and Doda-betta, and in this Budget, provision has been made for the Mél Koondah Jail, anticipatory of the convicts being located there before the expiry of the official year 1868-69.

No. 415. ORDER THEREON, 24th January 1868, No. 206.

Miscellaneous.

The Superintendent of the Chinchona Plantations will submit, for transmission to the Government of India, a tabular statement in the prescribed form (copy of which will be furnished to him) with full particulars of the sanctioned establishments (inclusive of those attached to the Jails) at present actually employed, and the modifications and additions now proposed. The several Orders of Government in the Revenue or Judicial Department, conveying the necessary sanction, should be specified, and the grounds for the proposed additions or modifications clearly explained.
