*Proceedings of the Madras Government, Revenue Department,
1st August 1868.*

No. 16. Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 23rd July 1868, No. 1,089/43 :—

1. In the Order of Government dated 10th February 1868, No. 372, an advance of Rupees 25,000 is sanctioned for the demarcation of the southern portion of the Ponneri talook, and the recovery of advances from ryots directed to be suspended in the Madras District.

2. In a letter from the Secretary Revenue Board, dated 6th May 1868, appended to Proceedings of Government, 14th July 1868, No. 1,963, an estimate of the

cost to the ryots of the demarcation of the southern portion of the talook is given, amounting to Rupees 33,329. I have much satisfaction in reporting that, owing to the careful management of Captain Baynes, this estimate will exceed the actual cost by about Rupees 10,000.

3. The advance of Rupees 25,000, however, will almost immediately be expended, and I have, therefore, the honor to submit an estimate of the cost to ryots of demarcating the northern part of the
