*Proceedings of the Madras Government, Judicial Department,
31st July 1868.*

No. 231. Read the following letter from the Magistrate of Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 24th July 1868, No. 65.

With reference to the Order of Government, 1st instant, No. 2090, Department Public Works, requesting a report as to what extent the powers of the Magistracy have been employed in causing the residents in the Pothanore village* to keep it clean, and what impediments were

* A hamlet of Coorchy village.

encountered, I have the honor to state that my Head Assistant reports that the provisions of Section 48 of the Police Act had not been extended to that village by my predecessor, and consequently no coercive measures were resorted to. I have now issued a notification on the subject.

2. There appear, however, to be other difficulties in the prevention of nuisances, which, owing to the inadequacy of the Police force, cannot be prevented by them, in a small outlying hamlet, at the time of commission, or the authors subsequently detected; the people of the village have been warned, but being chiefly of the Chucker caste are exceedingly filthy in their habits, and ignorant of sanitation. Moreover, unless latrines be provided, nuisances are unavoidable in the neighbourhood. The tabular Statement of the proposed charge is herewith forwarded, which it is proposed to meet from the head Imperial Funds, 27, Miscellaneous, to which head the pay of the present toties is debited. I would respectfully suggest for consideration whether, in reference to the class of persons inhabiting this hamlet, their miserable huts, and the increasing importance of the Railway station, it would not be advisable to take up the hamlet on the grant of compensation, and remove it to a greater distance.

No. 232. ORDER THEREON, 31st July 1868, No. 1183.

Before passing orders on the letter above recorded the Government request the Collector of Coimbatore to report the probable cost of adopting his proposal of taking up the hamlet of Pothanore on the grant of compensation, and removing it to a greater distance.
