*Proceedings of the Madras Government, Revenue Department,
5th August 1868.*

No. 67. Read the following Proceedings of the Board of Revenue, dated 24th July 1868, No. 5,393 :—

Read the following letter from the Collector of Ganjam, to the Acting Secretary to the Board of Revenue, dated Camp at Gopaulpore, 4th June 1868, No. 495.

1. Great inconvenience is felt for want of Sea Customs Houses at the minor sea-ports of Barwah and Bavanapad. The records of the Assistant Superintendents at both ports are kept in their own little wattle and dab-houses with thatched roofs. At Barwah, these records were destroyed when the Assistant Superintendent's house caught fire in 1864.

2. The subjoined table shews the value of exports and imports at these ports, the amount of duty levied and the number of vessels for the year 1867 and their tonnage. The trade is principally in native craft, but European merchants occasionally export rice from these ports :—

1867.	Value.	Duty.	No. of Vessels.	Tonnage.
<i>Barwah.</i>				
Exports	1,67,488	...	49	7,205
Imports	66,250	...	48	7,575
Total...	2,33,738	...	97	14,780
<i>Bavanapad.</i>				
Exports	1,82,040	1,266	21	8,778
Imports	75,898	...	19	3,344
Total...	2,57,938	1,266	40	7,122

3. I have, therefore, the honor to request that the Board will be pleased to obtain the sanction of Government for insertion in the next Budget of the estimated amount required for the construction of Sea Customs Houses at these ports, namely, Rupees 5,895.

4. The estimates and plans, which I have obtained from the Officers of the Public Works Department, are herewith submitted, and it is requested that they may be returned when no longer required.

ENCLOSURES Nos. 1 to 3.—Plans and Estimates.

The estimates, amounting in the aggregate to Rupees 5,895, for the construction of Sea Custom Cutcherries at Bavanapad and Barwah, will be submitted for the sanction of Government, with the request that the Department of Public Works may be moved to provide funds for the same.
