*Proceedings of the Madras Government, Political Department.*

1st August 1868.

No. 3. Read the following letter from the Acting Sub-Collector in charge, Bellary, to the Chief Secretary to Government, Fort Saint George; dated Parmadavunhully, 8th July 1868, No. 44.

With reference to the accompanying papers\* and the Collector's letter, No. 41, dated 5th ultimo,

\* One letter from the Superintendent of Nuggur Division, to the Collector of Bellary, No. 94, dated 22nd June 1868, with its enclosures.

I have the honor to request that Government may be pleased to appoint some one or more persons to form, with the Officers deputed by the Mysore

Government, a Committee, in order to settle the boundaries between the Mysore Territory and that of Madras. I do not think that the Mysore authorities are competent to settle this question by themselves, and I would ask Government to request the Commissioner of Mysore to let disputed boundary matters lie over till the Committee is formed, or at least till the case reported in the Collector's letter is settled, as this case is one of considerable importance.

2. I would ask that the decision of the Committee appointed might be final. The Kanjanahully case shows how inconvenient it is to have a Committee composed of persons subject to different authorities, each of whom can reverse the decision of the Committee.

From the Superintendent, Nuggur Division, to the Collector of Bellary; dated Shemoga, 22nd June 1868, No. 94.

In forwarding for your information copies of the marginally noted correspondence with the

From Chittledroog, No. 113, of 26th May 1868.  
To Secretary, No. 106-33, of 2nd June  
From do. " 1437-34, of 10th do.

Deputy Superintendent of Chittledroog, and the Secretary to the Commissioner of Mysore, having reference to the disposal of certain boundary

disputes between the frontier villages of Bellary and Chittledroog, I have the honor to request your attention to paragraph 2 of the Secretary's letter, No. 1437-34, of the 10th instant, above quoted, from which you will observe that the Commissioner sees no reason why boundary disputes should not be disposed of in ordinary course by local Officers, and I trust, therefore, that you will not object to the course proposed for the settlement of all boundary disputes, except those already under the consideration of the Madras Government.

From the Officiating Deputy Superintendent, Chittledroog, to the Superintendent, Nuggur Division; dated 26th May 1868, No. 113.

Begs to forward, herewith, for information, a copy of the correspondence marginally noted, between this Office and the Bellary District,

To Collector of Bellary Nos. 65 and 66 of respectively 8th and 9th May 1868.  
From Do. to the Acting Sub Collector of Anantapore No. 490, of 29th May 1868.

From the Sub-Collector to the Officiating Deputy Superintendent, Chittledroog, No. 73, of 21st May 1868.

with special reference to the last communication from the Sub-Collector on the subject of the settlement of boundary disputes referred to by the Amildar of Powgurrh.

2. Copy of a communication from the Collector himself, with that of one to which it is a reply in another case of boundary dispute between Moolculmooroo and Roidroog, received about the same time, is also submitted for perusal.

From the Officiating Deputy Superintendent, Chittledroog, to the Collector of Bellary; dated Chittledroog 8th May 1868, No. 65.

As the Revenue Survey Department has commenced its operations in the Powgurrh Taluq, some of the villages of which border on the Dharmavarum, Penagonda, Hindoopoor, and Madakseera Taluqs of your District, and as it is essential that, in the settlement of boundary disputes, the ryots of both districts living on the frontier should meet, I have the honor to request the favor of your kindly directing the Tahsildars of the Taluqs named to render every assistance in their power in procuring the attendance of the ryots whenever an application is made by the Amildar of Powgurrh.

*Proceedings of the Madras Government, Political Department,  
1st August 1868.*

From the Officiating Deputy Superintendent, Chittledroog, to the Collector of Bellary; dated Chittledroog, 9th May 1868, No. 66.

I have the honor to transmit, herewith, copy of a report from the Amildar of Powgurb, bringing to notice the cause of delay in carrying out the orders of the Survey Department to effect a speedy settlement of the boundary dispute existing between the Ryots of Chelladoo, of the said Taluq, and Vobanahully, &c., of Dharmavaram, and to request the favor of your directing the Tahsildar of Dharmavaram to meet the Powgurb Amildar on a fixed day, to decide the matter in conjunction with him.

From the Collector of Bellary, to the Acting Sub-Collector, Anantapore; dated Anantapore, 20th May 1868, No. 490.

Forwards letter with enclosure from the Officiating Superintendent of Chittledroog, and requests that he will, in communication with that Officer, arrange for a speedy settlement of the boundary dispute referred to.

To the Deputy Superintendent of Chittledroog,

with reference to his letter, No. 66, dated 9th instant.

From the Acting Sub-Collector of Bellary, to the Officiating Deputy Superintendent of Chittledroog; dated Anantapore, 21st May 1868, No. 73.

With reference to your letter, Nos. 66 and 65, dated respectively May 9th and May 8th, 1868, addressed to the Collector of this District, by whom they were forwarded to me, I have the honor to request that all cases of disputed boundary may lie over for the present. The boundary dispute between Kanganahully in the Madakseera Taluq and Soogoor and Hoskerry in the Herioor Taluq has been referred to the Government of this Presidency and the Commissioner of Mysore, and as that involves questions which must arise in the settlement of all these boundary disputes, I would suggest that the settlement of the other disputes lie over until the Government and the Commissioner have decided the matter.

From the Officiating Deputy Superintendent, Chittledroog, to the Collector of Bellary; dated Chittledroog, 9th May 1868, No. 70.

Adverting to the correspondence noted in the margin, I have the honor to bring to your notice that the Tahsildars of Roidroog has not yet met the Amildar of Moolculmooroo to effect a settlement of the long standing boundary dispute between the two Taluqs, notwithstanding your repeated orders. I am, therefore, compelled to trouble you once more on the subject, and to request the favor of your adopting such steps as you may deem proper to expedite the disposal of the case.

From the Collector of Bellary, to the Officiating Deputy Superintendent, Chittledroog; dated Camp Garladama, 19th May 1868, No. 489.

I am in receipt of your letter, No. 70, dated 9th instant.

2. I fully admit that you have grave cause to complain of the unwarrantable delay which has occurred in the disposal of the subject matter of this and your former communications, and the only excuse I have to offer is that the Tahsildar of Roidroog has for the last eighteen months or so set the Collector's orders at defiance.

3. The steps I have taken to expedite the disposal of this and many other cases pending in the same Taluq are to recommend the removal of the Tahsildar. The matter is now under the consideration of the Board of Revenue, to whom a copy of your letter under reply will be forwarded.

*Proceedings of the Madras Government, Political Department,  
1st August 1868.*

From the Superintendent, Nuggur Division, to the Secretary to the Commissioner of Mysore; dated Coodoor, 2nd June 1868, No. 106-33.

In forwarding copy of correspondence, in original, received under cover from the Deputy Superintendent of Chittledroog, I have the honor to observe that it is not quite clear to me what course will be followed with regard to the settlement of the boundary disputes referred to. It would appear that the Collector attributes the delay in the case of the Moolculmooroo boundary to the disregard of orders by the Tahsildar of Roidroog; whereas, the Acting Sub-Collector wishes all boundary questions to lie over, as the matter is under consideration by the Government of Madras and the Commissioner, and I request that I may receive instructions on the subject.

From the Secretary to the Commissioner of Mysore, to the Superintendent, Nuggur Division; dated Bangalore, 10th June 1868, No. 1437-34.

In returnig the correspondence received under cover of your letter, No. 106-33, of the 2nd instant, I am directed to observe that the Commissioner is in communication with the Madras Government regarding a dispute between the villagers of Hoskerry in Herioor and those of Kamsdenhulli in Madakseera, and that is the only village under reference.

2. Mr. Bowring does not see why any other boundary disputes should not be disposed of in ordinary course by the Tahsildars and Amildars of the respective Taluqs concerned, or, should it be necessary, by the Collector or his subordinate on one side, and an Officer of the Revenue Survey on the other.

No. 4.

ORDER THEREON, 1st August 1868, No. 171.

With reference to the correspondence above recorded, the Government are of opinion that it is desirable that a special Officer be appointed to meet an Officer selected by the Commissioner of Mysore for the settlement of the boundary disputes between the frontier villages of the Bellary District and of the Chittledroog District in the Mysore territory.

2. The Commissioner of Mysore will be requested to nominate an Officer on the part of the Mysore Government, and as Mr. Kelsall has already been engaged in a settlement of a similar description, the Collector of the Bellary District will make arrangements for deputing that Officer to meet the representative of the Mysore Government.
