Proceedings of the Madras Government, Revenue Department,
10th August 1868.

No. 132. Read the following Proceedings of the Board of Revenue, dated 30th July 1868, No. 5,531 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 13th July 1868, No. 656.

1. I have the honor to report, for the information of the Board, that I have now in store, for disposal during the next fair season, 187 tons of Laccadive Coir, of which 106 tons are selected as of superior quality, and request that the Board will be pleased to ascertain and communicate to me the wants of the Marine Department at Calcutta for the present year.

2. I beg here to add, that the Orders of Government, dated 6th December 1867, No. 2,926, regarding earlier delivery of their coir by the Islanders, and an improvement in its manufacture, were duly circulated in the Islands; but as the greater portion of the Islanders' manufacture had already been completed for the season, full effect could not be given to those orders.

Board, 12th December 1867, No. 8,030.

3. The attention of the Islanders was, moreover, absorbed in the more lucrative occupation of clearing the remains of two wrecks, so that the anticipation of bonus and forfeiture for early or late delivery carried no weight with them, and I did not think it advisable to press the rule, except in a few marked instances by way of example for future years, in which they may not have the good fortune of a vessel cast on their reefs; when they have that good fortune, all other inducements are at a discount.

4. I trust they may not have it next year, and that improvement may be effected both in quality and date of delivery.

Submitted to Government, with reference to the Government Order, dated 6th December 1867, No. 2,926, and with the request that they will ascertain the requirements of the Bengal Government.

No 133. ORDER THEREON, 10th August 1868, No. 2,128.

Miscellaneous.

Application will accordingly be made to the Government of Bengal.
